

Boys Council Meeting 15/10/2021.

Due to the amount of pupil absences we had when this meeting was scheduled, young people's voices were heard in pastoral sessions and form time throughout the day and the following ideas were shared.

- . 'Gym' to be added to the selection for Friday activities.
- . Keep 'video games' as a permanent Friday activity.
- . Motorised to be put back on as a Friday activity or for a form or pupil reward session.
- . Have a 'bring your pet to school' day.
- . Have 'laser shooting' as a timetabled lesson to tie in with accuracy.
- . An earlier lunchbreak (as I get too hungry) like we used to have and longer break like it was before (3/4'S hour).
- . Full afternoon of activities (from after lunch) and twice weekly instead of just Friday.
